Advisory # 02/2021

7 Days Lockdown in Bangladesh to curb spread of COVID-19 virus

Dear Partner,

The Govt. of Bangladesh has imposed a countrywide lockdown starting from Monday (5th April 2021) for the next 7 calendar days. This directive comes following the staggering number of new COVID-19 infections and deaths over the past few weeks.

- All offices & courts will remain closed during the period.
- Emergency services will remain open. (Pharmacy, Grocery etc)
- Factories & Industries will remain open with maintaining health & safety protocol.
- Inter-district passenger transports / flights have been suspended.

Eventually this may impact the Port and Airport Operations.

OUR ACTIVITY DURING THIS PERIOD

- Our colleagues will be working from home trying to minimize impact on the supply chain.
- However, please expect some delay in issuance of paper-based documents / responses.
- In case of emergency, please feel free to call your respective partner / Call at +88 01787 676063 Or Visit us-www.skyways-frugal.com.

Thanking you
